## Dream box sleeping speaker product specification

### Model E05/HB-021 Sleeping Sound Spa Bluetooth Speaker

This sound spa box is designed to help people relaxing the body from the daily stress. It has built-in 9 nature sounds: meditation music, ocean waves on beach, spring rain, fireplace at home, sleeping lullaby, brook in green field, white noise from TV, cricket in summer night, amazon jungle sound. The sound can be turned off automatically by selecting the time from timer (30/60/90min). It can also be used as a wireless speaker, with built in 5W high quality speaker, built-in 1800mAh battery. You can enjoy the music up to 8 hours.
